

KIWI URBAN 4 – COMPACT POOL RANGE

4m x 2.4m x 1.4m

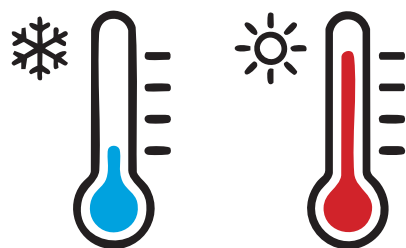

Kiwi Urban 4 – Designed for Modern Living

Proudly made in New Zealand, the **Kiwi Urban 4** is the ideal solution for compact urban backyards, small patios, or even indoor settings.

Available as either a refreshing cold pool or a heated option (up to 35°C), the Urban Pool range is designed to suit a variety of lifestyles and spaces.

These compact pools can be installed above ground, provided they meet New Zealand compliance regulations. Each pool is custom-built to order and includes integrated safety ledges—offering both style and peace of mind for families.
